Joint Replacement Surgery Can Change Your Life

Tuesday,

March 14

1:15 - 2:15 p.m.

At Holiday Park Senior Center  
3950 Ferrara Drive, Wheaton

**Speakers: Dr. J. Patrick Caulfield and Dr. Christopher Cannova,  
Suburban Hospital Orthopedic Surgeons, Bethesda/Chevy Chase Orthopedic Associates**

*Life Health Seminar Answering the Following Questions:*

- What can you do for hip or knee pain?
- Are you a candidate for total hip or knee replacement?
- How do total joint implants work?
- How can joint replacement surgery improve the quality of your life?

**FYI** More than 400,000 people, mostly age 65 and older, have total knee replacements each year. Total knee replacements have been done on patients as young as age 16 and older than 90.

Sponsored by:

- Montgomery County Department of Recreation Senior Programs
- Suburban Hospital
- Holiday Park Seniors, Inc. (HPSI)
- The Senior Beacon Newspaper
